

EXHIBIT XX
FY 20XX Travis County First Responder
Training and Other Services

For FY 20xx, County shall provide funding, in an amount not to exceed sixty-eight thousand dollars (\$68,000), for Travis County First Responder training and education. Organizations eligible to receive these funds are listed in exhibit (XX) attached to this document. Listed is the approved fee reimbursement (s) schedule for approved classes, services and equipment rentals. Classes or services not listed must have prior approval by the CAFCA EMS Committee, EMS Medical Director and County EMS Manager. The reimbursement amount will be established by the CAFCA EMS Committee.
